"We're doing a survey on housing, where did you sleep last night?"

SHOULD  
YOU  
SURVEY?

If they are outside, in a tent, car, RV without utilities, shed or other building without utilities.

YES

If they are in a shelter, the shelter will count shelter guests, thank them for their time.

NO

If they are unstably housed (*doubled up, living in motel they pay for, at-risk of losing housing*)

NO

Whether you survey them or not, always thank them for their time.

If someone is interested in supportive services and resources, give them any materials you have and refer them to 2-1-1.
